## **Dining Services Updates**

In order to eliminate the traffic congestion at the host desk and the omelet and salad bar area, we will be implementing a new omelet ordering procedure that will begin this Sunday, December 11. Rather than standing in line to order your omelet, you will proceed to your assigned table and fill out an omelet order form that will be available at your table. Your server will give the form to the chef who will prepare your omelet and have it delivered to your table. Your patience is requested as everyone becomes familiar with this new procedure.

## **Upcoming Reminders**
