

“For Your Information”

(A periodic publication by Sherwood Oaks president, Mark Bondi)

May 8, 2015

Resident Meeting

There will be a resident get together on Tuesday, May 12 at 10:30 AM in the auditorium. Annette McPeck, Chief Financial Officer, will be presenting an overview of the Sherwood Oaks operating and capital budgets for fiscal year 2016. This will also include information about fee increases in the coming year. Detailed information was distributed to each resident earlier this week. I will also be giving a general update and answer any questions that you may have. I hope to see you there.

Sidewalk Repairs

Numerous areas of walkway will be repaired on Monday, May 11 and Tuesday, May 12, weather permitting. Please be alert and use caution when walking around these areas. If you have any questions, please call Greg Holt at extension 8483.

Scooters

SPRING IS HERE – PLEASE SLOW DOWN. There is an increase in pedestrian and scooter traffic at this time of the year. Please stay to the right on the sidewalks. We ask that you have consideration for your fellow walking residents who cannot move as quickly as scooters.

Telephone Scams

I continue to hear about telephone scams from residents almost weekly. The most recent scam is that residents are receiving phone calls from someone claiming to be from “Computer Headquarters” asking you to log in to your computer to give them information. If you receive this type of call, simply hang up. Do not give them any information from your computer.

Cell Phones

Residents have asked me to publish this reminder:

“As a courtesy to fellow residents, please limit your cell phone use in the dining room or cafe. If you carry your phone into these areas, please make sure it is set to mute or vibrate. And, if you do receive a phone call, please step out into the lobby to answer it”.

“Happy Mother’s Day”
