Thank You

The Marketing Department wants to thank the residents for their continued support, especially with our marketing events. As these events have become increasingly popular, we ask that you please make sure to call and RSVP by the deadline given to be guaranteed a seat. This will not only help Marketing with the planning of the event, but all of the other Sherwood Oaks departments who are involved.

Personal Care Open House

You are invited to an open house on Personal Care, which is located on the second floor of the health center. This is scheduled for Thursday, June 30 from 1:30 – 2:30 PM. This event came as a suggestion from a resident in the community. The open house will give you an opportunity to tour Personal Care and understand the ins and outs of the program. Many residents are curious about Personal Care and are not sure what to expect when visiting friends or moving in. The Personal Care Administrator, Lori Greer, will be available to talk about the program and answer any of your questions. Refreshments will be available.
