Marcia Kollar, psychiatric nurse, will be on hand to discuss medications specifically prescribed for a dementia diagnosis. This is not a lecture but a group specifically for caregivers of someone diagnosed with a form of dementia. All information discussed at the group is confidential and should be treated as such outside the group.

A Special Services staff member will be in The Cranberry Lake Fitness Center to host activities for your loved one while you attend the group. Please call Lori Greer at ext. 4651 with any questions.

Medical Office Upgrades

Please excuse our mess, but our medical office is under construction. Pretty soon it will have a new look. In the meantime, please use caution when entering or exiting this area.
