

“For Your Information”

(A periodic publication by Sherwood Oaks Executive Director, Annette McPeek)

January 11, 2016

Resident Meeting

There will be a resident get together on Friday, January 22 at 1:30 PM in the Auditorium with Mike Mills. Mike will be speaking about the Security and Transportation department. I will also give an update on the community and answer any questions that you may have.

Parking Reminder – Lake Side Apartments

We are asking residents who have integral garages under the Lake Side Apartments that you please do not park vehicles in front of the garage doors. This makes it very difficult for vehicles entering or exiting the detached garages that are adjacent to this building. Instead, we ask that you utilize the parking spaces on either side of the detached garages. Security will kindly ask you to move your vehicle if it is reported or observed as being parked in front of Lake Side Apartment’s integral garages. Thank you in advance for your cooperation.

Dining Services Updates

- All of our soups on our current menu are now made with low sodium base.
- We have switched from a non-cultured yogurt to vanilla Greek yogurt with live cultures.
- Effective January 11, we will resume buffet service in the main dining room for both lunch and dinner until we are fully staffed.

Birthday Theme for January

A long time ago... in a galaxy far, far away ... the force is coming to Sherwood Oaks. Join us in the Main Dining Room on Wednesday, January 27 for a Star Wars birthday theme. We will be serving our normal buffet menu this day. The Dining Room hours are 12:00-1:00 PM for lunch and 5:10-7:10 PM for dinner.

Tax Letters

The 2015 medical deduction tax letters will be put in resident mailboxes the week of January 25, 2016. Please contact Annette McPeek at extension 8467 with any questions.

End-of-year tax donation letters for Sherwood Oaks and/or The Sherwood Oaks Fund will be distributed the week of January 25, 2016. Please contact Tabby Alford at extension 8460 for more information.

Filming on campus

Over the next few weeks, the Marketing Department will continue with the filming of new video footage for the Sherwood Oaks website. There was some great footage taken in the fall of several outdoor activities. The next step will focus on some of the amenities and activities inside the Community Center. Thank you in advance for all of your cooperation.

Capital Budget

Sherwood Oaks budget year is from July 1 to June 30 of each year. In preparation for the coming 2017 budget we are looking for resident input into the budget, especially as it relates to capital improvements on campus. If you have an idea for a capital improvement on campus can you please let us know with a short description of your idea on the bottom of this paper. Please return your ideas to the reception desk by January 31, 2016. They will be forwarded to Tabby Alford.

We have already had some ideas suggested including:

A “dog park” – a fenced in area that would allow dogs to run off leash.

A “fire pit” – an outdoor sitting area with a gas log flame.

Capital Budget Idea

Please consider the following suggestion for the 2017 Capital Budget:

Name: _____

Apt# _____
