Swan Names

If you didn't come to the lobby area on Sunday, May 15 to have a piece of cake to celebrate the swans' first birthdays, you may not have seen (or heard) what their "official" names are. By a majority of votes from residents and staff, the swan brothers are Sherman and Oakley. Sherman and Oakley have adapted very well to their new habitat and have been seen swimming all over the lake. They especially seem to enjoy the fountain now that it is up and running.

Alzheimer's Association Caregiver Support Group

A caregiver's support group is scheduled to begin at Sherwood Oaks on June 2nd and continue the first Thursday of every month at 1:00 PM on the lower level of the Oak Grove Center.

These support groups are designed to provide emotional, educational and social support for caregivers through regularly scheduled meetings. The groups also help participants develop coping methods to maintain their personal, physical and emotional health, as well as optimally care for the person with dementia. This includes all forms of dementia and is not limited to just Alzheimer's disease.

Please call Lori Greer at ext. 4651 with any questions.
