Department of Health Survey

Surveyors from the Department of Health arrived yesterday to conduct our annual Skilled Nursing survey. We expect the survey to be completed by the end of the week.

Platinum Research Study

You may be eligible to enroll in the platinum senior living research registry, which is sponsored by the National Institutes of Health and The University of Pittsburgh Dr. Claude D. Pepper Older Adult Independent Center. An informational meeting is scheduled for Friday, June 23 at 1:30 PM in the Auditorium. Flyers are posted in the mailroom on the administrative bulletin board.

Birthday Celebration

Put on your favorite baseball jersey and ball cap and join us on Wednesday, June 28 to celebrate June birthdays with a “Take Me Out to the Ball Game” theme. The menu is still being finalized and will be posted outside the Dining Room in the next few days. We recommend that you make a reservation if you plan to eat in the Main Dining Room for dinner.

Resident Meeting

A resident get together is scheduled for Friday, June 30 at 1:30 PM in the Auditorium. This month’s speakers are Megan Szymanski, Director of Rehabilitation, and Bill Burtner, Wellness and Health Promotion Manager. Megan and Bill will give an overview of each of their departments. I will also provide a brief update.

Lobby Carpet

The Lobby carpet will be installed in sections on June 27-30. This will be done after 8:30 PM when the Main Dining Room, Café and Lobby areas are empty for the evening.
