November 25, 2019

Lower Level Closure

Effective immediately, the lower level hallway will be closed from the Physical Therapy Office to the Swimming Pool. The following areas are affected:

- Chapel
- Community Nursing/Medical Office
- Computer Center
- Fitness Center
- Physical Therapy
- Swimming Pool
- Library

Elevator #3 (Lake Hall Skilled Nursing) will still be operational to floors 1 and 2, but not the lower level.

Activities in the Chapel have been moved to various locations. Please call the reception desk, see channel 900 or listen to the audio bulletin board (ext. 8489) for the updated locations. The chairpersons of these activities were notified of the room changes.

Community Nursing and the Medical Office have been relocated to the Sherwood Meeting Room and can still be accessed by calling extensions 8496 and 8480.

The Fitness Center – Tai Chi and group fitness classes in the Cranberry Lake Grill on Tuesday and Wednesday this week are still be held. Activities on Thursday and Friday have already been cancelled due to the Thanksgiving holiday. You are welcome to visit the satellite fitness center at patio home 259 or the Cranberry Lake Fitness Center during the closure. Bill Burtner is out of the office this week; however, his assistant Gavin Hohn will be here on Wednesday, November 27 from 8:00 a.m. to 3p.m.

Physical Therapy has been relocated to the Skilled Nursing Founder’s Hall Lounge and can still be accessed by calling extensions 8478.

During the closure, we ask that you do not try to enter this area. It is blocked off for everyone’s safety. Thank you for your patience and we will continue to provide updates.
