## **Spring/Summer Menu Input**

We are looking for resident input to complete our spring/summer menus. If you have suggestions, please complete the form below and return it to the reception desk by Friday, March 5.

Once this input is gathered, the dining services team will compile the results to review at the Dining Committee meeting on March 11. We hope you will take the time to complete the survey so that we can create a menu based on the preferences of our residents.
