

“For Your Information”

(A periodic publication by Sherwood Oaks Executive Director, Annette McPeck)

April 24, 2020

Updates

Governor Wolf has extended the stay-at-home/social distancing order to May 8. The following are cancelled in May:

- ✓ Marketing events
- ✓ SORA activities, meetings, etc.,
- ✓ Chapel services
- ✓ Resident get together
- ✓ Private parties
- ✓ Guest reservations in the Oak Lodge and Patio Suites

Just a reminder, we are not taking room reservations until further notice.

Masks

We continue to receive donations of home-made fabric masks from local churches and families of residents. Masks will be distributed on Saturday, April 25 to each independent living household along with a gallon of water and a frozen meal. Please note that fabric masks should be laundered in hot water after use.

Just a reminder, residents should mask or use a face covering when leaving their patio home and going to areas such as: trash rooms, laundry rooms, community center, mail room and lobby.

Updated Grocery List

Toiletries are now available via grocery delivery. The new list was distributed with your meals yesterday.

To prevent falls from bending over to pick up your meal delivery, we ask that you put a small table outside your door or ask that your meal be placed in the basket of your scooter. If you need a small table, please call Nancy O’Leary at ext. 8512.

Mail and Packages

We’ve noticed that some US mail, packages and deliveries (including florists and pharmacies) for a number of independent living residents are addressed to 100 Norman Drive. 100 Norman is a business, not a residence. This is causing some confusion and delays. Please check the address on the items above. If any of them say 100 Norman Drive, please correct your address. If you have questions, please contact Tabby Alford at ext. 8460.
