Swimming Pool Closure

The swimming pool and spa will be closed from November 26 thru December 12 to repair the exhaust ventilation system. We must drain the pool for the repairs to be made as the vents overhang the edge of the pool. Having this system in place will assure better air quality. We apologize for any inconvenience this may cause and appreciate your understanding.

Emergency Heat

A reminder how to access emergency heat:

- ✓ Turn on “Emergency Heat/Auxiliary Heat” when the outside temperature is expected to be below 35 degrees.
- ✓ Turn back to “Heat” when the outside temperature rises above 35 degrees.

Please note that this only pertains to patio homes 101-360. The lakeside apartment and patio home 600 residents will adjust the thermostat in their homes as normal. Contact maintenance at ext. 8477 if you need assistance.

Sherwood Oaks Transportation

To be consistent with current pandemic-related safety measures in place, Sherwood Oaks transportation services are available for resident-use only. Please no visitors on the busses. Questions can be directed to Mike Mills, Director of Security & Transportation at ext. 8482.

Resident’s new pictures can be found in the photo albums in the lobby.

Scooter Parking Guidelines

Residents are required to park in the designated areas and spaces in the Gallery. There is a special parking area for residents who have difficulty transferring from a scooter to a walker. This area is outlined in red. Special tags are needed to park in this area.
