**May 13, 2022**

## **Happy Birthday**

Sherman and Oakley turn seven years old on Sunday, May 15. Stop in the lobby to pick up a special treat to help celebrate their birthdays.

## **Pool/Spa Closures**

A replacement pool filter has been ordered for the swimming pool. Unfortunately, this means that the pool will be closed until we receive the filter. We anticipate this closure to last no more than one week. I also want to update you on the spa. A new pump is on order. Once it arrives and is installed, the spa will reopen.

## **Activities/Meetings to Resume**

Group activities and meetings can resume beginning Monday, May 16. The Main Dining Room and Café will also reopen on Monday for lunch and dinner. Breakfast will resume at a later date.

Please wear a mask over your nose and mouth in communal areas, resident meetings and when utilizing campus transportation. Stay six feet away from others if you have attended family or social events unmasked. Stay home if you are experiencing any cold or flu-like symptoms and report them to the Community Nursing department at ext. 8496 (724.776.8496).

## **Annual Sewer Cleaning**

We will be performing the annual preventative maintenance sewer cleaning on the lower level of the Community Center on Tuesday, May 17. Please use caution when walking in this area as there will be hoses on the floor at various times throughout the day.

## **Resident Meeting**

I will be holding my annual budget meeting on Friday, May 20 at 1:30 PM in the Auditorium and Card Room. Budget information will be distributed to you next week. I will also give a campus update and will answer any questions you may have. I hope to see you there.
