

“For Your Information”

(A periodic publication by Sherwood Oaks Executive Director, Annette McPeck)

June 10, 2022

COVID-19 Booster Shots

RX Partners will be on campus on Wednesday, June 15 from 7:30 – 8:15 a.m. to administer booster shots. If you were not able to attend the clinic we held on May 19 and would like to receive a booster shot, contact Tabby Alford at ext. 8460 by 3:00 p.m. on Monday, June 13.

Resident Get Together

Join us on Friday, June 17 at 1:30 PM for a resident get together in the Auditorium and Card Room. This month’s speakers are John Sterling and Dave Capan. They will give you an overview of the marketing department. Did you know Sherwood Oaks has welcomed 70 new residents to the community since July 2020? I will also give a brief campus update and will answer any questions you may have.

Campus Grounds Reminders

Summer friendly reminders:

- ✓ Park so that your car does not overhang the grass areas for lawn mowing.
- ✓ Plantings in the courtyards are maintained by Sherwood Oaks ground staff. Please contact maintenance department to request plantings or pruning in your area.
- ✓ Do not place items in the common lawn areas that would interfere with grass mowing or other grounds maintenance.
- ✓ Do not place items/objects on the walkways or other public areas of the campus. These items may hamper access by residents and staff and may also present a safety hazard.

Questions can be directed to Maintenance Supervisor, Gary Whoric at ext. 8599.

Speed Limit – Scooters

Please make sure you are driving at a slow speed when using a motorized scooter on the campus. This is in consideration of walking residents and staff who cannot move as quickly as scooters do.

As per the scooter policy, scooters shall not be driven faster than the natural walking speed of any pedestrian in the vicinity. Scooters must travel at reduced speeds when inside the buildings.
