

# *“For Your Information”*

(A periodic publication by Sherwood Oaks Executive Director, Annette McPeck)

**September 13, 2022**

## **Sherwood Oaks Anniversary Articles**

Cheers to 40 years! Our anniversary and open house articles appear in the September 2022 Northern Connection magazine. This is a community magazine that is published for the northern suburbs of Pittsburgh. A limited number of extra copies are on the counter in mail room. You can view current and past issues and/or subscribe to the magazine by visiting [www.northernconnectionmag.com](http://www.northernconnectionmag.com). We have arranged for future issues to be delivered to our community. This same publication is planning a Sherwood Oaks' two-page spread in their November issue. Also in the works . . . Sherwood Oaks will be the cover story in the Fall 2022 edition of the UPMC Senior Communities Community Connection.

## **Electronic Sign**

Thank you to Cranberry Township who will display a 40<sup>th</sup> anniversary congratulatory message on the electronic sign at the Route 19/228 intersection this month.

## **Wednesday Transportation – New Stop Added**

A new stop has been added to the Wednesday transportation schedule to include the Cranberry Township municipal building for residents to safely drop off unused or outdated prescription and over-the-counter medications. This begins on Wednesday, September 28 at 11:45 am. Updated sign-up sheets will be posted on the transportation bulletin board.

## **Alzheimer's Walk**

Residents and staff are invited to join Team Sherwood at the 2022 Walk to End Alzheimer's on Saturday, October 8 in Pittsburgh. A bus will transport residents to/from the event. If you are interested in joining the walk or donating, you can do so by visiting <http://act.alz.org/goto/swo>. A flyer will be posted on the bulletin board with detailed information.

## **Card Room Food Reminder**

Just a reminder that if you have food/snacks in the card room, please remember to clean it up and make sure there are no open containers/bags of food/snacks left on or behind the bar. Leftovers should be taken to your patio home or tossed in the trash.

## **Temporary Café Closures**

The café will close for lunch daily, starting Sunday, September 25. In addition, the café will also be closed on Friday evenings starting September 30. This is due to temporary staffing shortages. Meal pick-ups are available at the Café counter from 11:30 a.m. to 1:00 p.m. and 4:30 to 6:00 p.m.

## **From the Recycling Committee**

Have you seen this large white bin in the Scooter Room? It is part of Sherwood Oaks' TREX project to collect 500 pounds of plastic bags and film. Another bin is in the Resident Office/Music Room on the lower level (right across the hall from the elevator - a shredder bin is also in that office).

These bins, provided by TREX, are in addition to the blue collection bags the committee has hung in each Trash Room (so far, the blue bags have been stuffed full! Yay!) Pictured on the bins are the acceptable types of plastic film - all must be clean, dry, and free of food residue.
