

“For Your Information”

(A periodic publication by Sherwood Oaks Executive Director, Annette McPeck)

November 23, 2022

Cranberry Ambulance

Each resident pays for an annual subscription to Cranberry EMS. This subscription guarantees a flat rate of \$50 for emergency transportation to a hospital/emergency room from our campus. This does not include non-emergency trips (transportation home from the hospital or a trip to a doctor's office). Questions regarding bills from Cranberry EMS can be directed to Kathy Vacca at ext. 8466.

Currently, Independent Living residents are responsible for finding transportation home from a hospital/emergency room. I suggest having a list of family or friends to call who are willing to pick you up and bring you back to Sherwood Oaks. The hospital/ER nurse is responsible for finding transportation back to Sherwood Oaks for residents living in Skilled Nursing, Personal Care or Oak Grove.

Nutcracker Display

The nutcracker and Christmas display is finished and available for viewing on the first floor of the Lakeside apartment building. Thank you to resident, Monika Dalrymple, for creating and sharing such a beautiful display.

Sherwood Oaks Religious Services – (watch channel 950 for changes)
