Special Services Update

The Special Services Coordinator unexpectedly resigned last week. We want to reassure you that all appointments that have been previously scheduled will be managed by Lori Greer and the Special Services staff. Please call the Special Services office at ext. 8493 to confirm previously scheduled appointments and to arrange future services and/or trips needed. As much advanced notice as possible is appreciated for all requests. Call backs can be expected within 24-48 hrs. depending on the urgency of the request. If you have a request for a trip to an appointment and do not need a staff member to accompany you, you have the option to contact Security at ext. 8219 for transportation availability.

Online Ordering Demo for Café Take Outs

We are piloting a new online ordering program for meal take outs in the Café. You will still have the option to call the Café and/or place orders at the counter, this will just be an added service.

Please join us on Wednesday, June 12 at 11:00 a.m. in the Auditorium for an online ordering demonstration with Cura District Manager, Jeff Deibler. You will have the opportunity to see how the ordering system works and ask any questions you may have.
