New Takeout Container Charge – Effective July 1

As noted in your fee schedule, a \$1.50 charge per takeout meal will be added to your account when picking up meals “to-go” from the Café and/or ordering meal delivery.

- ✓ This only applies to full meals that are picked up in the Café for breakfast, lunch, and dinner and/or meal delivery for dinner. A full meal is the equivalent to what you order using a meal credit (soup, beverages, entree, accompaniments, dessert, salad bar items).
- ✓ If you purchase a soup or singular item, there is no extra charge.
- ✓ If you choose to have your soup and/or dessert packaged “to-go” from the Main Dining Room or Café after you are finished eating, there is no extra charge.
- ✓ If you are on the home delivery list per nurse order, there is no extra charge.
- ✓ If you order home delivery, each meal will incur a \$1.50 charge in addition to the \$7.50 delivery charge.
- ✓ Due to food safety concerns & regulations, we are unable to use your home containers in lieu of ours.

Questions should be directed to Dining Services’ management team at ext. 8505. Extra copies of the fee schedule are available at the Reception Desk.

Campus Grounds Reminders

Summer friendly reminders:

- ✓ Park so that your car does not overhang the grass areas for lawn mowing.
- ✓ Plantings in the courtyards are maintained by Sherwood Oaks ground staff. Please contact maintenance department to request plantings or pruning in your area.
- ✓ Do not place items in the common lawn areas that would interfere with grass mowing or other grounds maintenance.
- ✓ Do not place items/objects on the walkways or other public areas of the campus. These items may hamper access by residents and staff and may also present a safety hazard.

Questions can be directed to Maintenance Supervisor, Gary Whoric at ext. 8599.
