## **Sherwood Oaks Weather Preparations – We Are Ready!**

The management team and staff have been meeting this week to prepare for the winter storm that is projected for the weekend. The latest forecasts show significant snow from 9:00 p.m. Saturday to Noon on Monday.

I feel comfortable that we will be able to continue to provide uninterrupted services. Many staff have volunteered to sleep at Sherwood to ensure that they will be available for work. However, we are asking everyone to:

- Please stay inside as much as possible during the storm.
- If you need to come to the Center, we ask that you do not drive a vehicle or motorized scooter, please use the bus. (See schedule below.) The maintenance crew will be focusing on keeping the roadways and parking lots clear for emergency vehicles and staff. Sidewalks are important, but with fast falling snow, roadway clearing will be critical.
- Consider picking up an extra meal on Saturday to avoid traveling for meals on Sunday. We suggest calling ext. 8236 Sunday (and Monday) to ensure the Café is open for full service.
- All off campus trips are canceled for Sunday. Consider a Saturday church service.
- Friends (Quaker) Meeting, Sunday Chapel service, and Monday night bingo are also canceled.

Our supplies of food, fuel and medications are adequate if deliveries are interrupted. In addition, the entire Community Center (including dining areas, auditorium, etc.), Health Center, Oak Grove Center and the Lake Side Apartment building all have emergency generator power. These buildings will be available in the unlikely event of a power outage in the patio or carriage homes.

## **CAMPUS TRANSPORTATION**

Bus departs from the Center and proceeds through parking lots A thru lots I.
