Director of Maintenance and Environmental Services

Rob Sutkowski has joined us as the new Director of Maintenance and Environmental Services. He began his role at Sherwood Oaks on Tuesday, January 27. Rob resides in Ellwood City with his wife of 37 years, their dog, Pika, and their son, who recently bought a house two blocks away. From his first day, Rob has been fully engaged—overseeing snow removal efforts and addressing related challenges, along with managing our ongoing campus operations. He brings extensive experience in building maintenance, construction, and environmental services, having worked in both private and non-profit organizations over the years. His expertise, professionalism, and strong communication skills have already proven to be tremendous assets.

Please join me in welcoming Rob to the Sherwood Oaks community. He completed his formal orientation on February 10. Rob can be reached at ext. 8599 or rsutkowski@srcare.org.

Senior Director Search Update

Presbyterian SeniorCare Network (PSCN) continues to move forward with the search for my successor. Over the past few months, I have participated in the process and am very impressed with the qualifications and experience of the candidates. PSCN anticipates making a final selection in the coming weeks. The start date for the new Senior Director will depend on the individual selected. I have agreed to remain in my role until the new person is in place and fully oriented.
