## **Phone System**

The telephone system has been restored as of Friday, May 1 at 3:00 p.m.

As you know, the system had been inoperable for the past two days. But, even during the outage, the following systems and all services on campus continued to function.

- Staff walkie-talkies are functioning properly.
- Alarm connections to the fire and police departments are operational.
- The Aerial alarm system is working correctly, including pendants, wall-mounted alarms, and check-in functions.
- All areas of the Health Center (Skilled Nursing, Personal Care, and the Oak Grove Center) have cell phones available for communications.

If you experience any issues over the weekend with your phone, you can use a cell phone to call one of the emergency numbers below.

- Skilled Nursing – 724-831-4392
- Personal Care – 724-766-1401
- OGC #1 – 724-766-1359
- OGC #2 – 724-766-1333
- Security Gatehouse – 724-766-9739
- Dining Services Cell Phone – 412-992-7931 – (meal emergencies and reservations)

## **Recipes Needed**

Do you have a favorite recipe from the 70's? Dining Services' birthday theme this month is "70's Disco Fever". Jesse Komara is looking for two recipes: a cold recipe and a hot recipe. Leave your recipes at the Reception Desk to be put into Jesse's mailbox. The winning recipes will be served on the salad bar and hot buffet on May 27.
