RE: Appointment of new Executive Director of Health Services

While leadership transitions can bring change, they also create opportunities for continued growth and renewed vision. I am honored to announce the appointment of Stacy Kolbe, as Executive Director of Health Services, here at Sherwood Oaks. Stacy will begin her employment on July 6, 2026.

Stacy is exceptionally talented and respected leader with a strong background in health care operations, team development, and person-centered care. Stacy is a graduate of the Pennsylvania State University with a degree in Health Administration and a licensed nursing home administrator. Stacy joined Presbyterian SeniorCare Network as the Executive Director of Shenango on the Green, a continuing care retirement community in New Wilmington. During her tenure at Shenango on the Green she achieved a deficiency free survey, decreased agency, stabilized leadership, improved team member engagement and during her tenure fostered a culture centered on compassion, quality care, and support for both residents and team members. Recently, Stacy was honored as Manager of the Year by her team, a recognition that exemplifies her leadership.

I am confident that Stacy will continue to build upon the solid foundation already established here at Sherwood Oaks, while prioritizing the wellbeing of our residents and the dedication of our team members. Over the coming weeks, there will be opportunities for residents, families, and team members to meet and welcome Stacy personally.

We appreciate the continued trust and support of our residents, families, and team members through this transition. We are excited about the future and confident that together, Sherwood Oaks will continue to grow and strengthen our mission and provide excellent care and support to those we are privileged to serve.

Thank you for your continued support of Sherwood Oaks and Presbyterian SeniorCare Network.
