Greenhouse Lot Reopened

The community center roof replacement is complete. The Greenhouse Parking Lot is now open.

Special Services Update

Sherwood Oaks Special Services (SOSS) is a fee-for service offering on the Sherwood Oaks campus that provides additional support not covered in the residential agreement. SOSS has encountered unexpected challenges with employees in the department out on medical leave. As a review, requests should be submitted at least two weeks in advance. Also, cancellations of confirmed Special Services appointments by a resident with less than 24 hours' notice will result in a charge for the scheduled appointment. If you have not received a confirmation card for an upcoming scheduled appointment, please call the department directly at 724-776-8493. To ensure that information is organized in one location, we ask that all inquiries related to Special Services are directed to

sospecialservices@srcare.org or 724-776-8493.

If you need transportation only (no escort needed for an appointment) you can contact the Security Department at 724-776-8219 for scheduling. Airport transportation can be established by contacting Darryl Byrd, an independent driver, at 412-670-3073.

Restroom Closure - Sherwood Oaks Park

The water will be turned off in the restrooms at the Sherwood Oaks Park from August 24-27 due to floor sealing. Activities can continue but be aware that the restrooms will be out of service.

New Server Training

With our college servers heading off to campus, Jesse Komara has completed extra training classes with the newly hired high school servers. Jesse does an activity called "Make it Personal." Servers used the letters in their names to list great service habits. See the finished names hung up by the dining room entrance. Please be patient as these new staff members learn and grow. We would also like to remind you to bring your meal card for the new hosts/hostesses to scan into the computer system. This will ensure accurate billing and meal credit usage.

Birthday Celebration

“In every walk with Nature one receives far more than he seeks.” — John Muir. Join us on Wednesday, August 26 for our National Parks birthday theme! We will feature food items based on several National Parks and their locations throughout the country. The menu includes Petrified Forest Park ground turkey taco soup, New England Cape Cod chowder, Congaree National Park chicken bog, Yellowstone bison burger, White Sands National Park chorizo black bean skillet, Olympic National Park salmon cakes, Shenandoah caramelized onion & mushroom mac & cheese, Key West blend vegetables, broccoli, Denali National Park blueberry white chocolate cheesecake, and a s'mores parfait.

Due to the popularity of our themed events, we highly recommend you make a reservation for lunch and/or dinner in the Main Dining Room by calling 724-776-8234 – with your name, number of people in your party and reservation time.
